Typhoon Yolanda Relief Operations, Philippines, 2013

Alex Stewart International donated \$25,000 to assist relief operations for the damage caused by Super Typhoon Yolanda and the accompanying earthquake which affected our office and operations in the Philippines. ASIC's employees in Leyte have received food packages including sacks of rice, milk, soap, shampoo, water, canned goods and noodles, financial support is also helping repair damaged houses. Alex Stewart is collaborating with the PASAR Refinery which has also been severely affected.
