

Buenos Aires 10 TH of August 2013

Attention:

FOSFA International

Dear Sirs:

The Members of CADECRA (Chamber of Inspection of the Argentine Republic) are pleased to inform that the companies mentioned in this letter are duly and properly registered.

Their members have undertaken obligations in order to comply with national and international standards as well as quality standards, personnel, safety and environmental responsibility.

We are available to the trade, governmental authorities, banks and chambers to provide any information related to the activities of its members.

The list of companies associated within the chamber is

Registro SENASA	RAZON SOCIAL
022	ALEX STEWART (ASSAYERS) ARGENTINA S.A.
035	CAMIN CARGO CONTROL ARGENTINA S.A.
048	COMETEC ARGENTINA S.A.
005	CONTROL INTERNACIONAL S.A.
031	COTECNA INSPECCION ARGENTINA S.A.

008	WINTER SERVICES S.A.
005	CONTROL INTERNATIONAL S.A.

- ◆ As stated above all the members are properly registered in SENASA so as to exercise
- ◆ Quality inspections and duly constituted according to Argentine law nbr 20744.
- ◆ They are properly constituted according to law number 19550.
- ◆ Each company complies with rules and procedures according to the ISO 9001-2008, and are registered in GAFTA and FOSFA following their standards.
- ◆ Staff used in dependency ratio to perform control tasks in different locations
- ◆ Their staff counts with mandatory life insurance decree number 1567/74.
- ◆ Their staff presents monthly proof of payment of contributions related to social security articles 20744 (to) article 80 (F.931 AFIP).
- ◆ Comply with the collective labor agreement 407/2005.
- ◆ Have their personnel registered in Prefecture (Coast Guard Authority)

CADECRA suggest and promotes to use companies which are legally registered in the Argentina Republic that comply with all the above mentioned points in order to do the inspections in accordance to the local law and regulations. The Chamber is in permanent contact with local authorities, Export Chamber, port authorities, terminals and workers unions, monitoring all steps in order to avoid misunderstandings.

In case any foreign inspection company would like to undertake inspection activities in Argentina and are not complying with above requirements nor are duly registered in accordance to the local law and regulations, they may contact any associated member of the Chambers in order to sub/contract their services, or otherwise proceed with proper registration as all the members of the Chamber in order to be in equal competitive conditions.

In conclusion, all Local/Foreign Surveying Companies who desire to work in Argentina have to comply accordingly; a matter that is strictly monitored by CADECRA.
