

NOW RECRUITING!

MICROBIOLOGISTS

Alex Stewart Agriculture Limited has a vacancy for a microbiologist, we are inviting applications to join our experienced team of scientists based at the company's Aintree Laboratory.

Based in our busy food testing laboratory we are inviting applications from candidates ideally with experience in food microbiology, however full training will be given to the successful applicant.

The Laboratory is accredited to **BS EN ISO 17025:2017** and experience in this laboratory quality standard and knowledge of method validation techniques would also be highly favoured.

The Company offers a full range of benefits including competitive salary, 5 weeks holiday and Contributory Pension Scheme.

JOB OPPORTUNITY

Interested Candidates for the position of Microbiologist should send their CV and covering letter to the Microbiology Manager:
