Now recruiting!

Inspections Coordinator

Alex Stewart International would like to invite all interested applicants for the post of Inspections Coordinator. The successful candidate will join our Inspections Team, which is based at the Company's UK Headquarters in Liverpool.

This full-time role will help our Company to provide experienced accredited and quality-based Inspection Services which require knowledge and skills that include:

- Experience in the Inspections Field
- Coordination of Global Inspection Operations
- Potential Inspections related travel UK and Abroad
- Administration and Business Communication Skills and Qualities
- Familiarity of ISO 17020 Methods and Procedures for the Inspections Area
- Adherence to Company Health and Safety Compliance Procedures

The successful candidate should have suitable experience gained in this role. The Company offer a range of benefits, including a competitive salary, overtime opportunities, up to 5 weeks holiday and Contributory Pension and Life Insurance Schemes. A full clean driving license is required.

Interested? Send your application by email, stating your qualifications and experience to Mr. Glenn Forbes,
E: glenn.forbes@alexstewartinternational.com
