

**Alex Stewart
International**

We will be attending the

LME Week 2022

23rd-28th October 2022 | London, UK

Alex Stewart International provide a comprehensive range of inspection and analysis services for all metals, and would be very pleased to meet and discuss our services further throughout the week.

For meeting requests and precious metal inspection & analysis enquiries, please email:
stephen.russell@alexstewartinternational.com
or **rob.smith@alexstewartinternational.com**

Alex Stewart International are London Metal Exchange (LME)
approved samplers and assayers.
